

MABS' SWEET WEENIES

- 2 tubes crescent rolls
- 1 1/2 packages cocktail sausages
- 1 cup butter, melted
- 3 TB honey
- 3 TB brown sugar
- 6 TB MABS' ATOMIC MUSTARD**
- 1 cup pecan pieces

Preheat oven to 400 degrees. Unroll crescent dough and separate into triangles; cut each lengthwise into 3 triangles. Place a sausage on the long end and roll up tightly; place on a cookie sheet. When all are rolled, bake for 8-10 minutes until just golden. Remove from oven and set aside.

Combine remaining ingredients in a bowl. Pour more than half into a 9x13 baking dish and arrange the sausage rolls on the mixture. Pour remaining over top. Finish baking for another 8-10 minutes ~ watch them carefully!
